

Stubby Impact

TPT-243BH 1/2" Square Drive

TPT-243BH-3

Same features as TPT-243BH with
3/8" square drive.

TRANMAX
Tranmax Machinery

BENEFITS

- Best power to weight ratio:
610NM(450 Ft-lb)
- Reduce operator fatigue
- Extremely well balanced tool
- Chrome coating end plate & cylinder
to enhance the life of motor set
- High performance and constant
torque output

FEATURES

- 1/2" stubby impact with 360° air inlet swivel
- Composite housing with ergonomic handle rubber
- One hand forward/ reverse operation
- Durable twin hammer mechanism
- Contoured professional touch trigger
- New designed and patented F/R system

Busting Torque

1150 NM
847 Ft-lb
